

**You can help to
look after a
family member
or someone else
you care for by
switching to
their profile on
the NHS App**

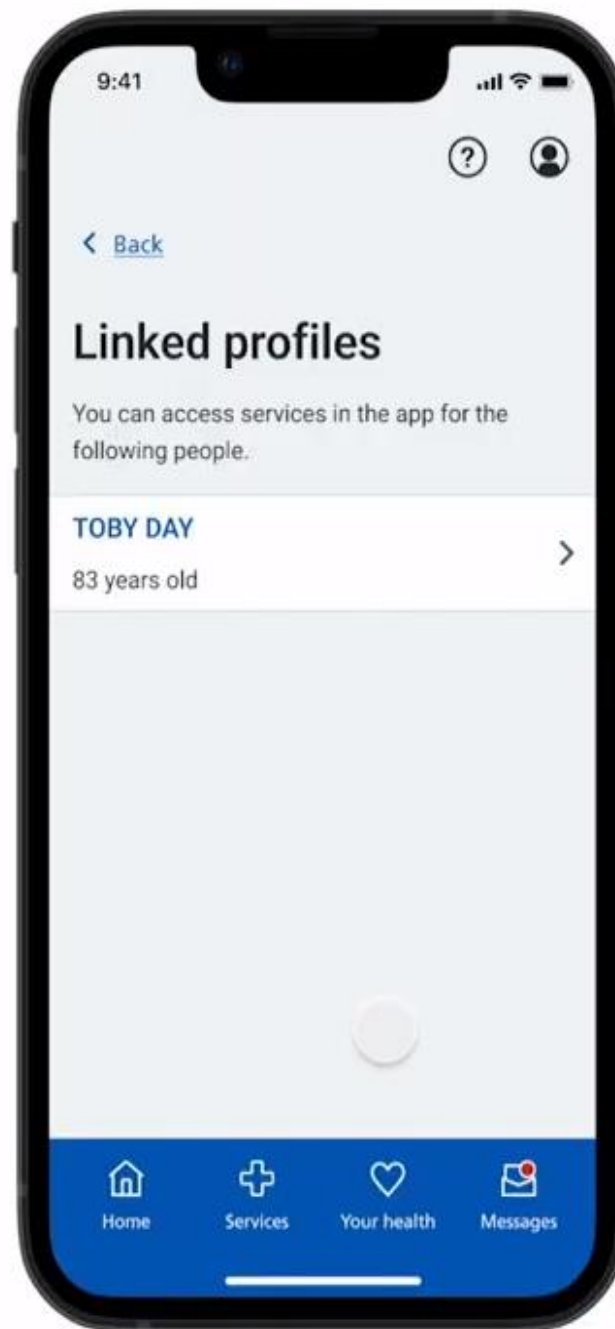

ask your GP to
give you
access to do
this

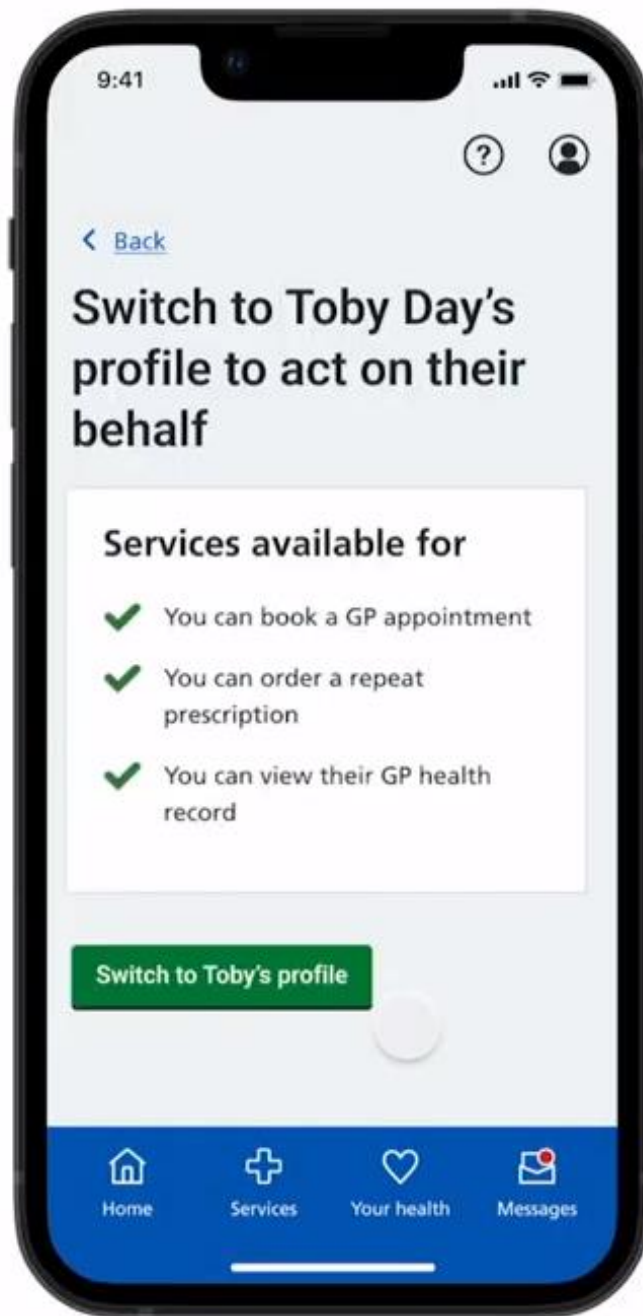

**scroll down to
the bottom of
the homepage
and select
switch profiles**

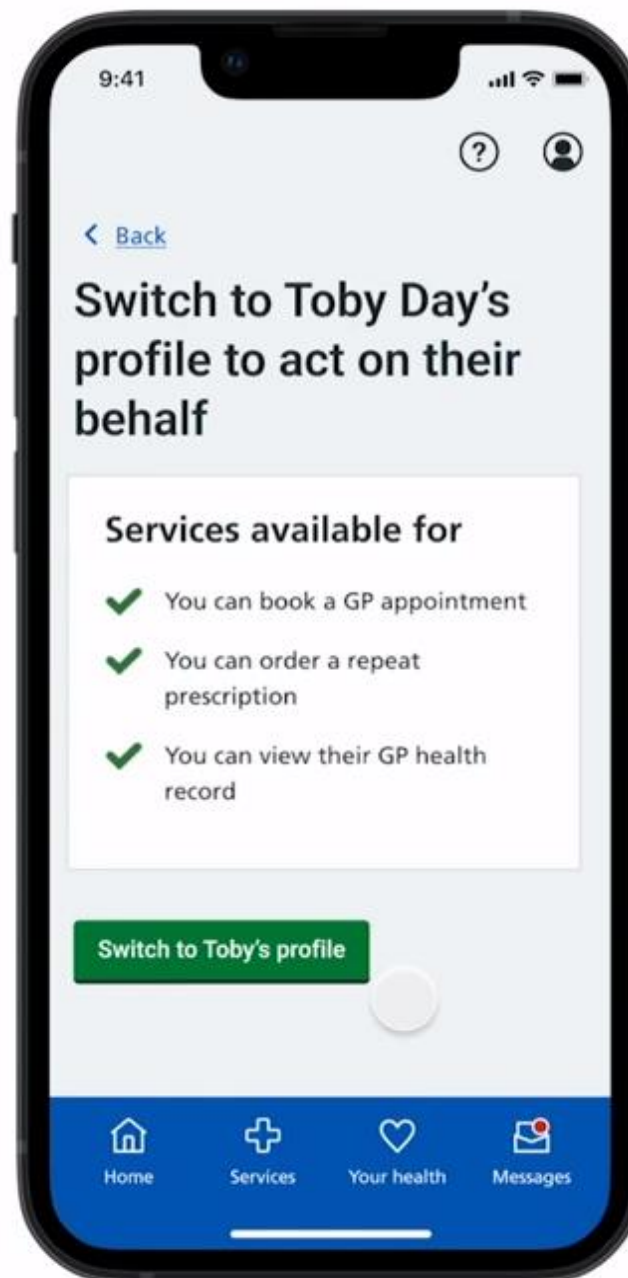

**once your GP
has set you up
with the linked
profile you will
see it here**

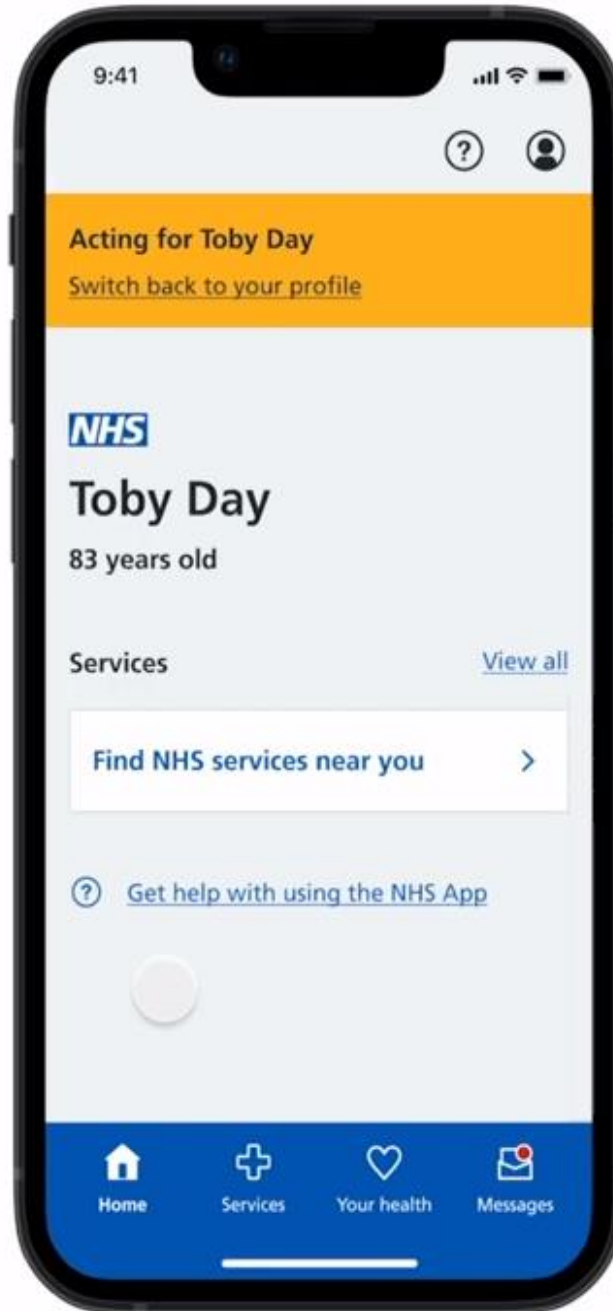

and you will
see what
services you
can use for
this person

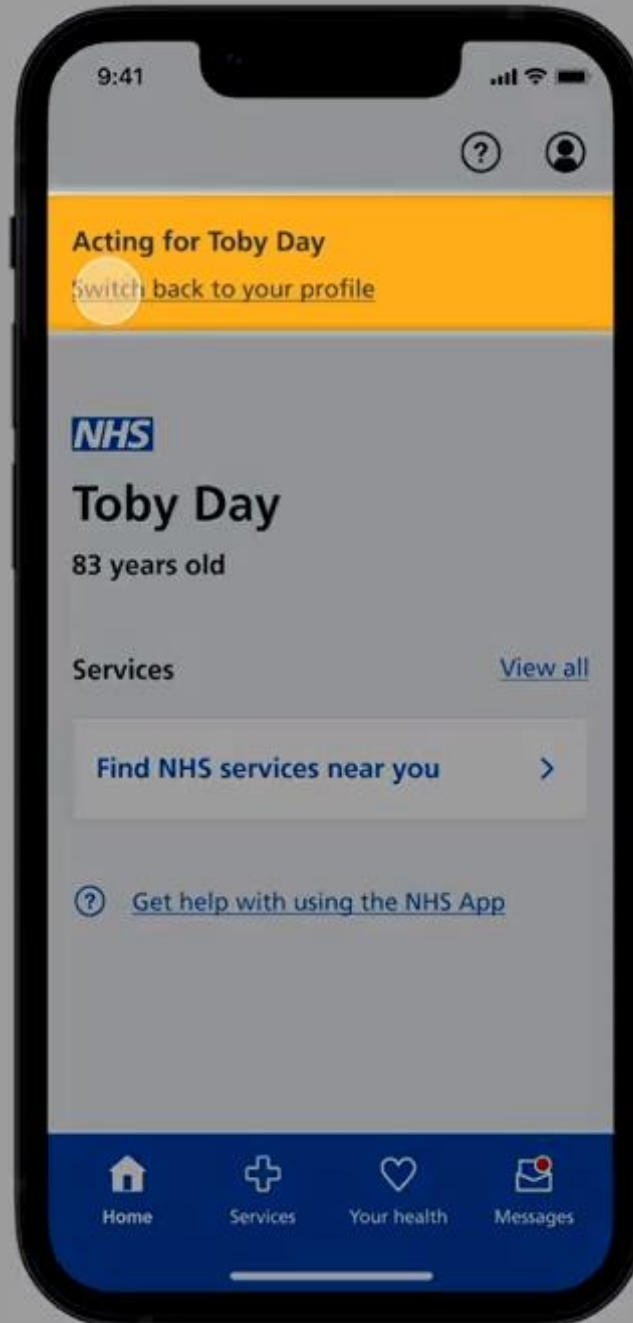

such as order
repeat
prescriptions for
them

when you are
ready to return
to your own
profile

**select 'switch
back to your
profile'
in the yellow
banner at the
top**
