

You can use
the NHS App
to contact
your GP
surgery

Not all GP surgeries
offer this service

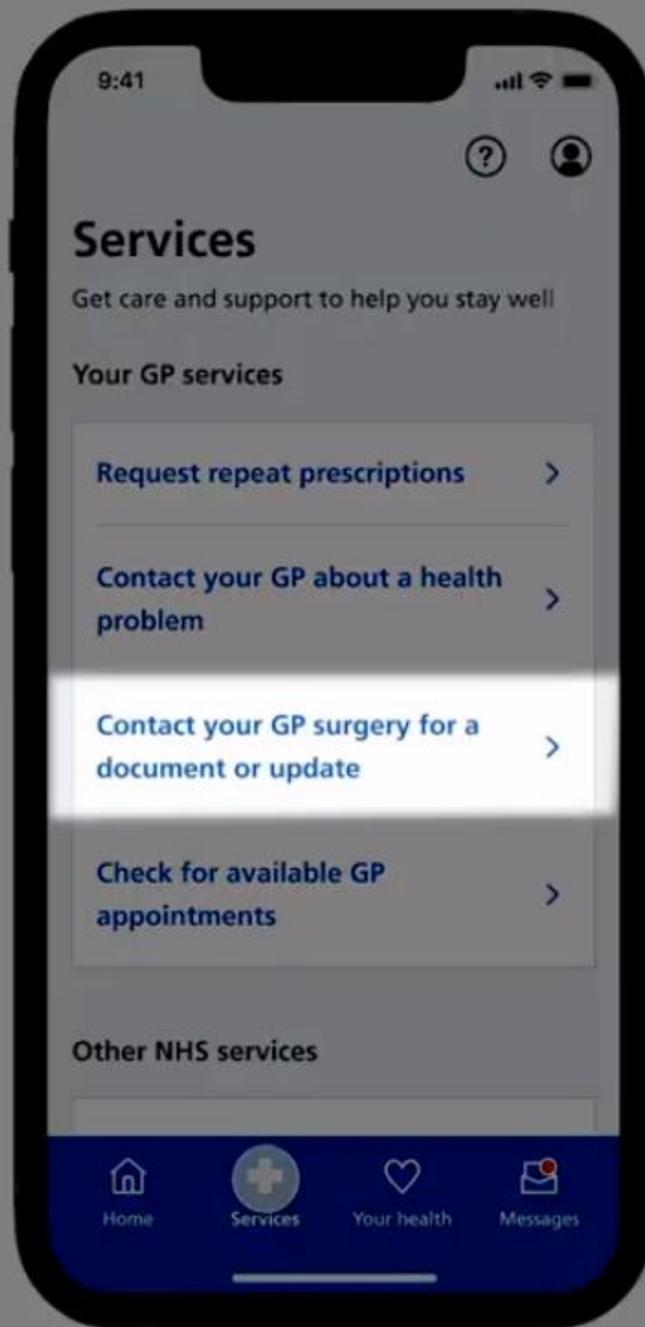

you may be
able to request
a fit note or
ask for an
update on test
results

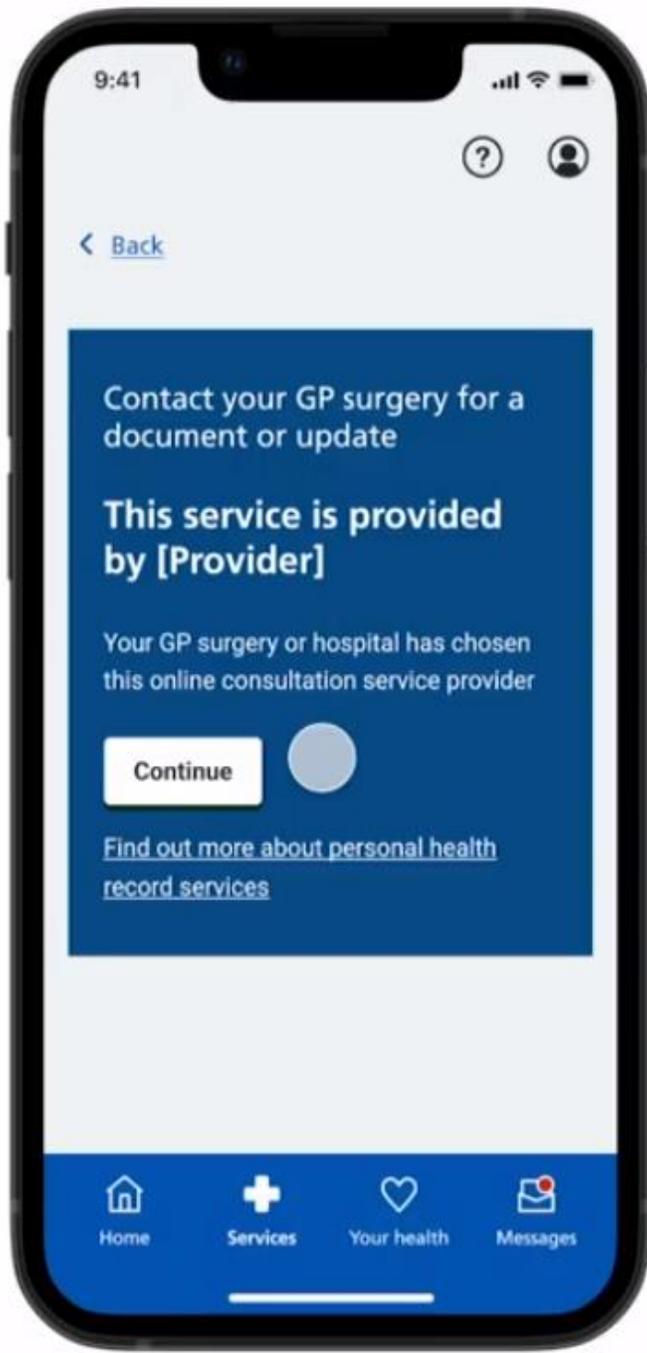

**select the
services icon
on the
homepage**

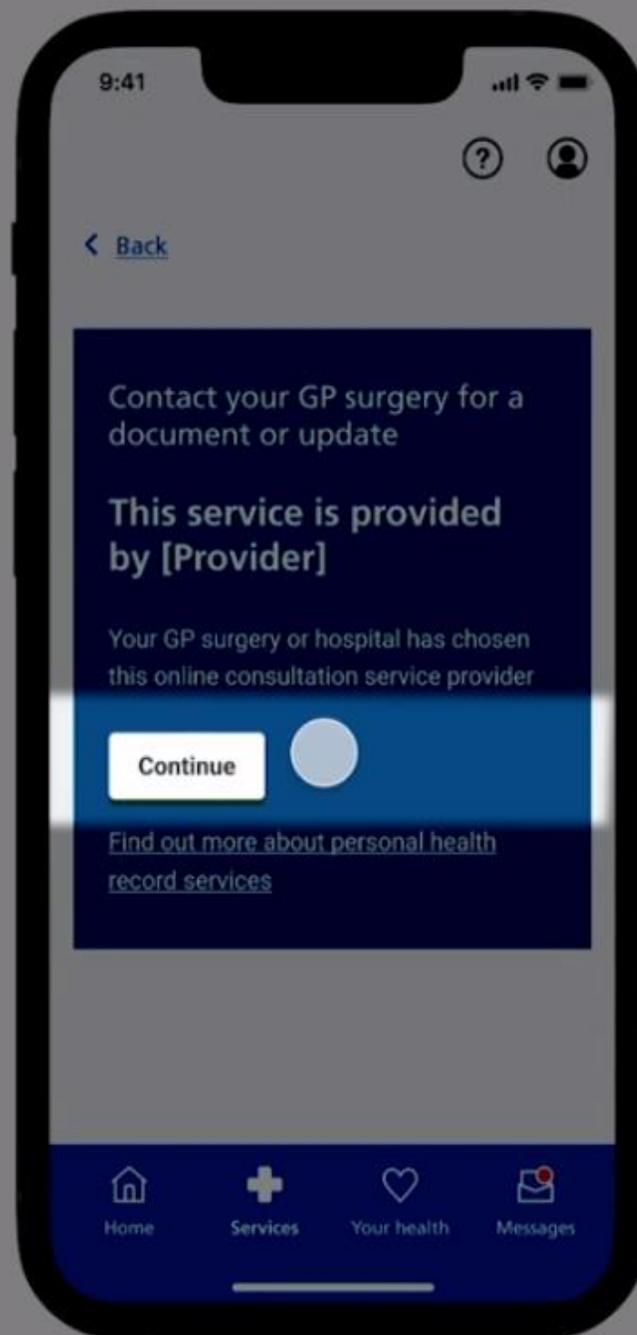

**select 'contact
your GP about a
document
or update'**

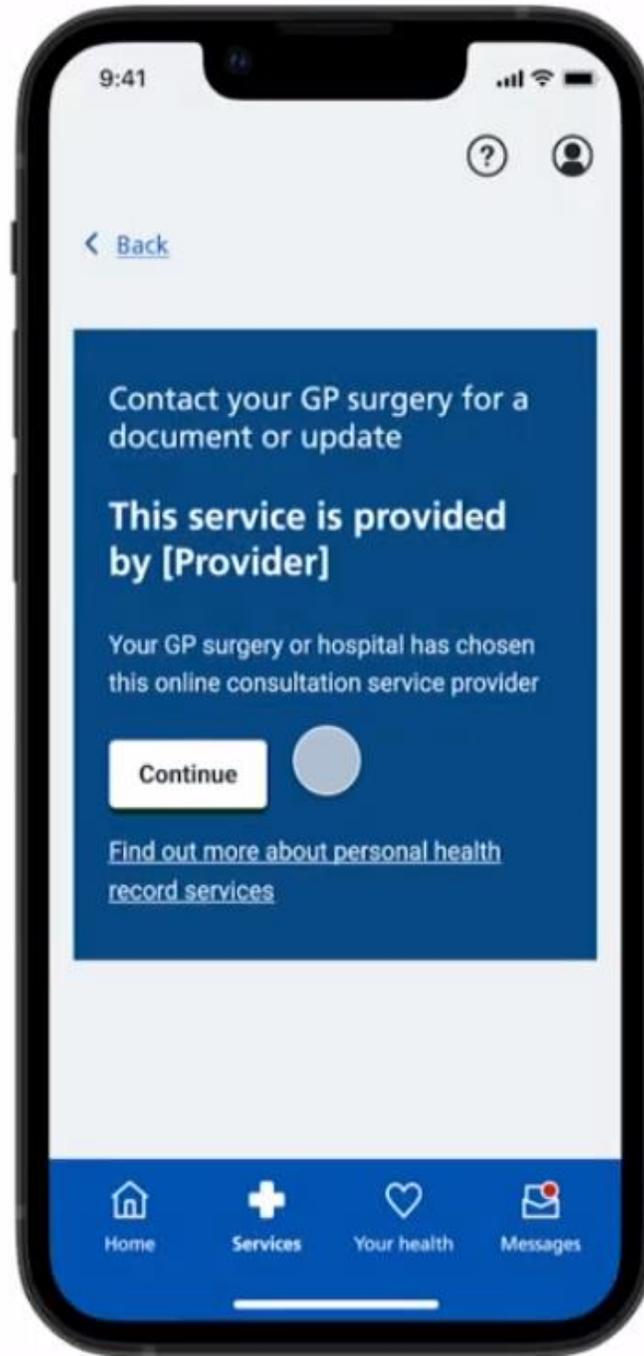

You'll see a screen with details about the services provider

**press continue
and
you will be able
to make your
request**
