

**You can use
the NHS App
to contact
your GP
surgery about
a health
problem**

**Not all GP surgeries
offer this service**

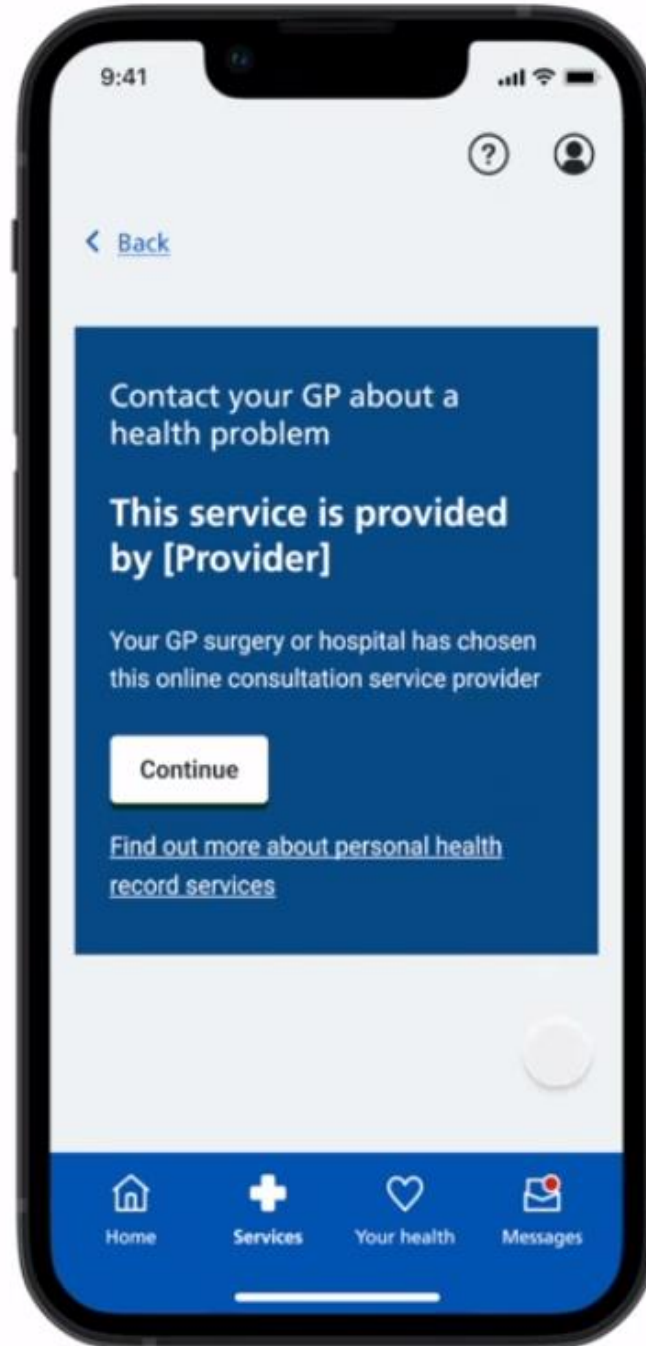

**you can
describe your
symptoms
and then you
will hear back
from your
surgery**

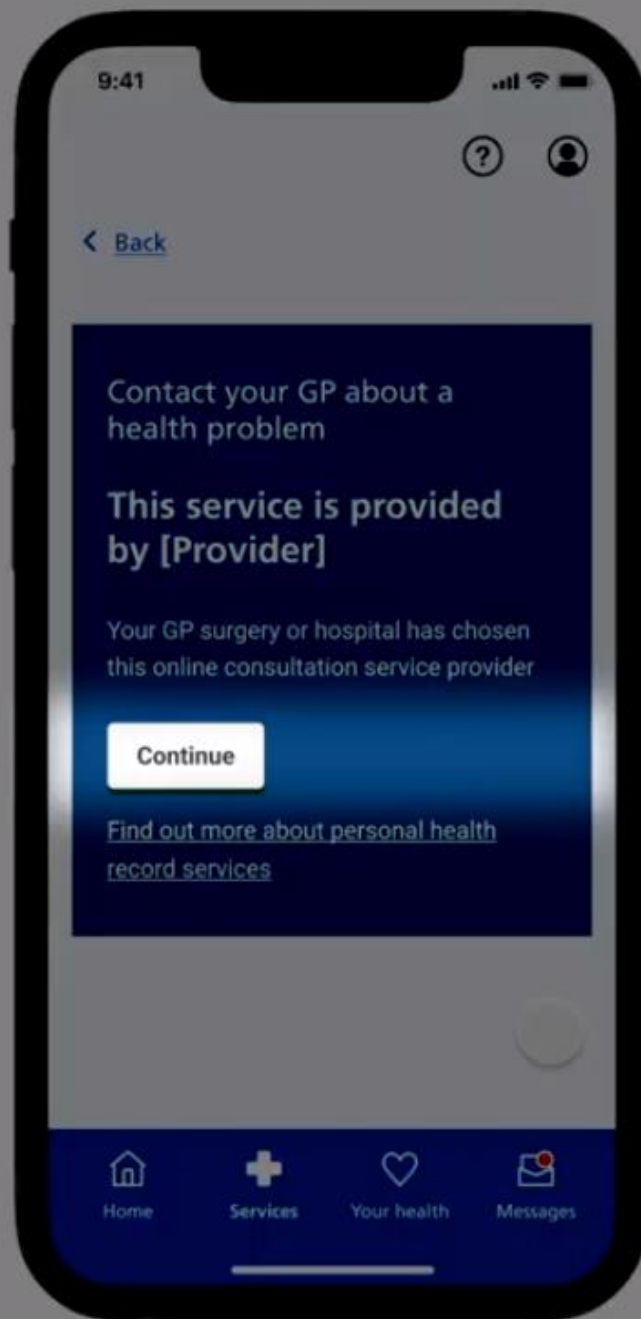

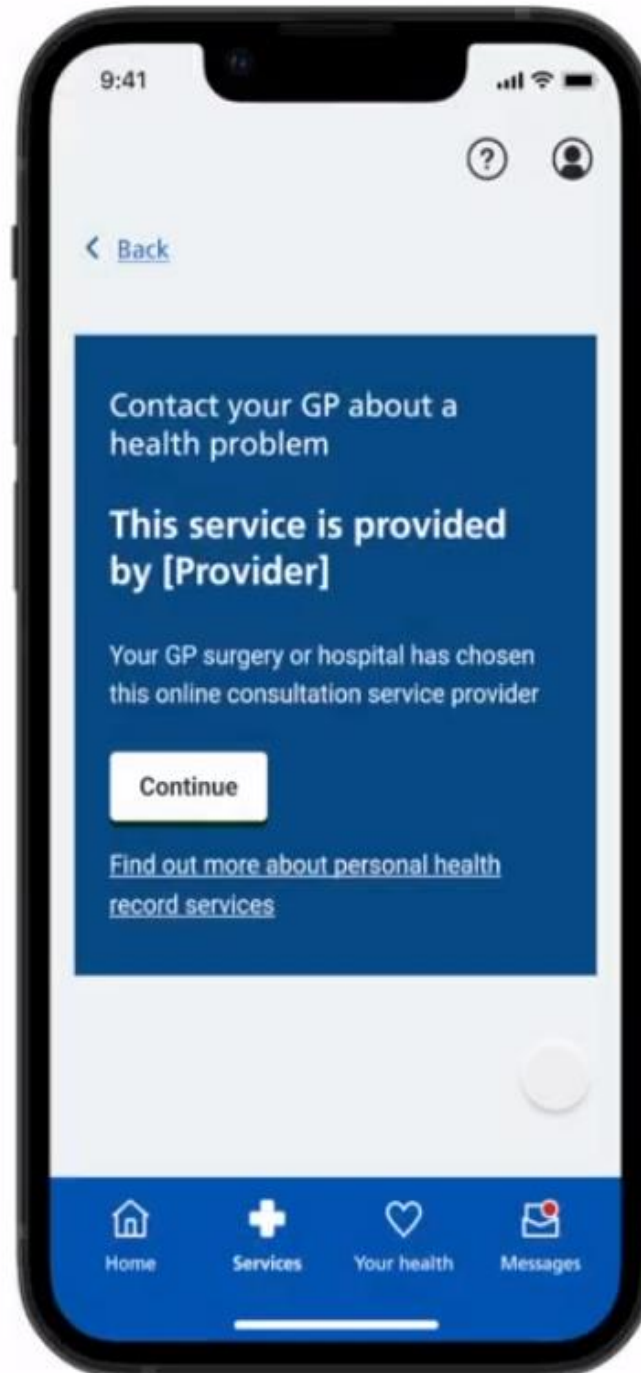

**select 'contact
your GP about
health problem'**

**you'll see a
screen
with details
about the
service provider**

**press continue
and
you will be able
to describe
your symptoms
and send the
message to
your surgery**
